

Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, Aug. 22.—The volume of business on the stock market today was larger with few exceptions than on any other day this year, the turnover reaching 1,350,000 shares. Trading was on a rising scale of prices and nearly all branches of the list contributed to the buoyant tone. Motors which were relatively weak, and shipping issues, which forfeited a small part of their recent gains, were the exceptions.

United States Steel was the commanding feature, outdistancing all other stocks in point of activity on its extreme advance of 2 1/2 points to 97 1/2, a new record. Transactions in steel which embraced innumerable individual lots of 1,000 to over 4,000 shares, approximated 250,000 shares. Other stocks, including Industrials, equipments and war issues, rose 1 to 4 points, with unusual activity in Bethlehem Steel, which gained 1 1/2 points at 480. Coppers and zinc shares, Mexicans, the distilling issues and half a score of unclassified issues were higher by 2 to 4 points, with six for Sears-Roebuck, at 212. Reading led the railway list on its gross gain of 2 1/2 to 109 1/2, the balance of the list holding back until the final hour when that entire division ranged from one to three points.

The setback in motors was explained by an announcement of the sale of a large block of treasury stock by the Willys-Overland Company. The foreign exchange market was extremely apathetic. Heavy accumulations of Anglo-French fives at a fractional advance imparted strength to the bond market. Total sales par value, \$4,285,000.

United States bonds were unchanged on call.

CHICAGO GRAIN MARKET.

CHICAGO, Aug. 22.—Wheat declined nearly five cents from the top today, but recovered most of it and closed with a net loss for the day of 1/2 to 1 1/2c. Corn declined 1/2 to 3/4c and oats 1/4 to 3/8c. Provisions closed off 2 1/2 to 15c.

At the opening wheat sold lighter, apparently from habit, although there was further bullish encouragement in the rains reported in the northwest. Then began a stubborn decline in the face of the heaviest kind of profit-taking sales. One firm alone disposed of 1,500,000 bushels of long wheat. The leading bull houses took it in at every half point drop until near the close, the bottom was reached. The reaction was swift. The closing tone was considered strong. There was an abatement of crop damage reports from the northwest and Canada. Rains in Iowa and Illinois led heavy selling of corn by commission houses and to a lesser extent by local bears. Offerings dried up on the decline and when wheat rallied corn followed sharply. Spot prices were 1/2 to 1c lower.

Oats followed the lead of wheat and corn. Spot prices worked off 1/4c. In the provision pit lard and ribs worked lower on realizing sales, but pork worked higher.

BOSTON, Aug. 22.—There was not a great deal of snap to the local market today. Coppers were dull but were not pressed for they should be purchased. The steels have advanced rapidly. The marines have gone up and the rails were taken in hand today and on large sales rose fast. The only group of stocks left that have been neglected are the coppers. Look to see them taken hold of and they will climb to much higher levels. There was heavy realizing in the New York list today but market took them well. It is big bull market.

SHE TEACHES ONLY SCHOOL OF LOBBYING

Miss Maud Younger, of the Congressional Union for Women's Suffrage, conducts the only school of lobbying in the country. She teaches her women recruits how to organize political movements, how to interview congressmen and how to make stump speeches. Miss Younger is thoroughly at home in the capitol and knows as much about putting through a bill as the congressmen themselves.
